Recognition of American Degrees in France

ENIC-NARIC France is the "European Network of Information Centres – National Academic Recognition Information Centres".

For information on the Centres, visit their website at www.ciep.fr/enicnaricfr/index.php

Affiliated with the Centre International d'Etudes Pédagogiques (International Center of Educational Studies) since September 2004, the **ENIC-NARIC France** centre, in a partnership with each French educational district, has established certificates that ensure foreigners academic achievements.

The centre also provides information about the French educational system, procedures to follow in order to fill a job position, in the framework of the Bologna Accords that aims to increase mobility within Europe.

The **ENIC-NARIC France** Centre offers expertise on foreign diplomas to French interdepartmental commissions, *académies* and employers. The centre also gives evaluation criteria for French diplomas to the ENIC-NARIC centres network and to foreign institutions.

According to the CIEP Board's decision on November 14, 2007, the prices are:

- € 55 for the certificate of education level recognition with standard delivery.
- € 200 for the certificate of education level recognition with express delivery (within 2 days), only the Centre's agreement.
- € 10 for the delivery of a duplicate copy.

All payments should be addressed to "Agent Comptable du CIEP" (accountant), only after you received the invoice for your certificate.
